EX.

In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the present application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 to 156 and 173

- of any patent granted on the second Application, as shortened by any terminal disclaimer filed prior to the patent grant, in the event that such granted patent:
- of the prior Patent, as shortened by any terminal disclaimer filed prior to its grant, in the event that it later:

expires for failure to pay the maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims cancelled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as shortened by any terminal disclaimer filed prior to its grant.

The undersigned is an attorney of record.

The terminal disclaimer fee under 37 CFR 1.20(d) is included.

Respectfully submitted,

Eastman Chemical Company
